

Thespians Unmasked

In light of the COVID 19 pandemic causing the cancellation of the past two ACTFests, the ACT Board will be hosting a gathering in the fall of 2021.

We miss you; we miss seeing your amazing contributions to ACTFest, we miss the Saturday night social but most of all we miss the conversation.

We are proposing a gathering which would bring together member companies for fellowship, networking, and fun. This would not be a showcase of plays, but a time to discuss common challenges, share stories and make connections.

***You and all the members of Shoestring Productions
are cordially invited to “Thespians Unmasked”***

Saturday, September 11th
10:00am to 4:00pm
St. Pauls’ United Church in Beausejour

The program could include:

- Opening remarks
- Group sharing
- Break out discussion groups focussing on
 - Company challenges
 - Production Queries
 - Company activities
- Fellowship and Networking

This is an initial SAVE THE DATE notification for a gathering which will be full of fun and sharing. Details regarding registration and a more comprehensive program will be sent out in early July as we are hopeful by then to have a better idea of the restrictions that will be in place in fall. We ask that you as the member company contact for ACT extend this invitation to your members.
